TOPICS, TALKING POINTS

## **Enlightenment**

1. There is a better chance for a person to win the lottery than to become enlightened. If anyone can become enlightened, why has it been 2500 years since the last Buddha? The success rate seems very poor. What are we doing wrong?
2. What's the difference between having faith in my Buddha nature -- my innate enlightenment -- and having faith in the holy spirit or the soul?
3. What is the biggest obstacle for westerners to become enlightened?
